LinQR®

for all companies

advantages
on own device

Improve service
The digital service is 24/7 available.

Reduce workload
FAQ's will be answered contactless.
Services can be booked online.

Increase sales
Your prefered services can be booked
in your own environment.

More sustainable
Reduce print by using just one QR code.
Always up to date and a clean office.

More satisfaction
Digital services and constant availability
will increase comfort and good feedback.

Lower costs
Optimised service and efficiency,
less print and workload will lower costs.

scan the QR code - 1

get to the landing page - 2

find all functions - 3

use it intuitively - 4

no download needed
